

## Hathorn H2

### Hathorn H2 Inspection Camera System

Item Number: HA-H22168SL

The Hathorn® H2 system comes standard with a 7" shatter resistant LCD monitor and is compatible with 18V Milwaukee™ (or equivalent) batteries for ultimate portability and over 6 hours of runtime on a single charge. The H2 comes equipped with 200ft of premium cable and your choice of self leveling camera head, all with cool running super bright LED lights. It also comes equipped with a footage counter and 512Hz sonde and an on-screen footage counter in both feet and meters. The H2 is an entry level sewer camera and does not offer a recording option. Trusted by plumbers and contractors all over North America to deliver rugged dependability and portability.
