

# L.B. White Premier 170DF

## Dual Fuel Heater, Direct-Fired, 170,000 BTU/Hr

Item Number: LB-PREMIER170DF

L.B. White's Premier series of enclosed flame, ductable, direct-fired heaters are perfect for small, hard to reach areas, as well as large construction applications. Premier heaters produce extremely clean, dry heat despite being a direct-fired heater. Although fresh air ventilation is required, these heaters are effectively used for "dry heat" applications such as drywalling with excellent results. All units are shipped ready-to-use and are extremely easy to operate. The compact thermostat provides easy, effective temperature management and the onboard diagnostics make maintenance a breeze.

## Features

- Quickly switch between propane (LP) and natural gas (NG)
- Enclosed-flame design promotes safer work environments and adds the ability to duct
- 99% direct-fired fuel efficiency
- Optional "fan-only" mode
- Very quiet while operating
- Fits through standard 36" door frame
- Dependable electronic ignition

- Status lights indicate heating mode stage and quickly aid diagnosis of common issues when troubleshooting
- Tri-Shield steel case
- Gas hose, regulator, and thermostat included
- Certified to ANSI and CSA standards for safety and rated for indoor-outdoor use
- Ducting and diffusers available

## Specifications

|                             |                                    |
|-----------------------------|------------------------------------|
| <b>Fuel Source</b>          | Dual Fuel                          |
| <b>Heat Output (BTU/Hr)</b> | 170,000                            |
| <b>Airflow (CFM)</b>        | 1,200 CFM                          |
| <b>Max Fuel Consumption</b> | LP: 7.9 lbs/hr<br>NG: 170 cu ft/hr |
| <b>Amperage (A)</b>         | Starting: 7.3 A<br>Running: 5.0 A  |
| <b>Horsepower</b>           | 1/3 HP                             |
| <b>Sound (Decibels)</b>     | 70                                 |
| <b>Duct Size</b>            | 12"                                |
| <b>Max Duct Length</b>      | 12-ft                              |
| <b>Dimensions</b>           | 32.3" x 24.3" x 32.0"              |
| <b>Weight (LBS)</b>         | 161 LBS                            |
