# L.B. White Premier 40LP

## Propane Heater, Direct-Fired, 40,000 BTU/Hr

Item Number: LB-PREMIER40

L.B. White's Premier series of enclosed flame, ductable, direct-fired heaters are perfect for small, hard to reach areas, as well as large construction applications. Premier heaters produce extremely clean, dry heat despite being a direct-fired heater. Although fresh air ventilation is required, these heaters are effectively used for "dry heat" applications such as drywalling with excellent results. All units are shipped ready-to-use and are extremely easy to operate. The compact thermostat provides easy, effective temperature management and the onboard diagnostics make maintenance a breeze.

## Features

- Enclosed-flame design promotes safer work environments and adds the ability to duct
- 99% direct-fired fuel efficiency
- Optional "fan-only" mode
- Very quiet while operating
- Fits through standard 36" door frame
- Dependable electronic ignition
- Status lights indicate heating mode stage and quickly aid diagnosis of common issues when

troubleshooting

- Tri-Shield steel case
- Gas hose, regulator, and thermostat included
- Certified to ANSI and CSA standards for safety and rated for indoor-outdoor use
- Ducting and diffusers available

## Specifications

<b>Fuel Source</b>	Propane
<b>Heat Output (BTU/Hr)</b>	40,000
<b>Airflow (CFM)</b>	330 CFM
<b>Max Fuel Consumption</b>	1.9 lbs/hr
<b>Amperage (A)</b>	Starting: 2.6 A Running: 1.0 A
<b>Horsepower</b>	1/12 HP
<b>Sound (Decibels)</b>	62
<b>Duct Size</b>	8"
<b>Max Duct Length</b>	12-ft
<b>Dimensions</b>	24.8" x 14.5" x 16.3"
<b>Weight (LBS)</b>	60 LBS
<b>Certification</b>	CSA
<b>Warranty</b>	2 Years
