

L.B. White 132541

End Diffuser for Premier 40

Item Number: LB-132541

The LB White 132541 end Diffuser for 8 in Duct kit is a diffuser for portable gas event heater. Helps evenly distribute heat and allows for heater placed outside of a tent. Attaches to the ducting and has blades that direct or diffuse the warmed air into a space for even heat distribution. For use with L.B. White Premier 40 tent/event heaters and 132544 ducts.
