

## L.B. White 132544

### 8" x 12' Heat Duct w/ Magnetic Adapter

Item Number: LB-132544

The L.B. White Distribution Duct Kit for Premier 40 is for the TS040 Premier 40 portable heater. This Ducting kit allows the Premier® portable heater to be used as a ducted heater from outside. When the comfort and safety of your work crew is at stake...you want the leader in portable heating equipment for any commercial, industrial or construction job.

### Features

- 12' extendable ducting
- 8" diameter
- Flexible so the heater doesn't need to be inline of the tent port
- Genuine L.B. White part
