Electric Eel Model Z5-AF

Drain Cleaner, Electric Auto-Feed, 1/2" x 75'

Item Number: EE-Z5K12IC75AF

The Z5 cleans 1-1/4" - 3" diameter lines up to 75 ft. and fills the gap for those jobs that require a longer run in smaller drain lines. The auto-feed function allows the operator to advance and retrieve the cable with the push of a lever. The cable runs through a guide spring which keeps hands off the rotating cable for added safety.

Features

- Auto-feed function that advances and retrieves cable with the push of a lever
- Cable guide spring keeps hands off rotating cable for added safety
- 75-ft certified music wire with genuine galvanized aircraft wire inner core
- Heavy-duty frame with folding handle for easy transport and storage
- Clutch reduces risk of cable damage and provides overload protection
- Open cage for quick cable inspection and cleaning
- Large 10" wheels
- Heavy-duty 1/3 HP Baldor reversible motor
- Electric switch with pneumatic control frees up both hands while working

- 20' power cord with GFCI
- Includes a set of five cleaning tools, tool bag, 1/8" t-wrench, and leather gloves
