Gutter Cleaner

Item Number: PA-P85400007

The Gutter Cleaner Attachment with Quick Connects is a specialized pressure washer accessory designed to make gutter cleaning fast, safe, and efficient. Featuring a curved wand design, it directs high-pressure water into gutters to blast away leaves, dirt, and debris without the need for ladders. The quick-connect fittings ensure easy and secure attachment to most pressure washer wands, allowing for hassle-free setup and use. Built from durable materials, this attachment is ideal for homeowners and professionals looking to maintain clean, free-flowing gutters with minimal effort.
