12" Water Broom

Item Number: PA-P85400060

The 12" Water Broom Attachment is a compact and efficient pressure washer accessory designed for quick and even cleaning of flat surfaces. With a 12-inch wide spray bar featuring multiple nozzles, it delivers consistent water distribution, making it ideal for cleaning driveways, sidewalks, decks, and garage floors. The lightweight design and smooth-rolling wheels allow for easy maneuverability, while its efficient spray pattern helps reduce streaks and water waste. Compatible with most pressure washers, this attachment is perfect for homeowners and professionals looking for a faster and more controlled cleaning solution.
