

Hathorn H7

Hathorn H7 Inspection Camera System

Item Number: HA-H72143SL

Hathorn® H7 systems come standard with a 7" daylight readable shatter resistant LCD monitor with 1,000 cd/m2 of brightness, making it the brightest monitor in it's class. The H7 also has an on-board hard drive with 64Gb (upgradable to 128Gb) capacity and USB recording allowing the user to record MPEG4 video and JPEG screen shots. These systems are compatible with 18V Milwaukee™ (or equivalent) batteries for ultimate portability and over 5 hours of runtime on a single charge. All H7s come equipped with 200ft. of premium cable and your choice of self leveling camera head. Trusted by plumbers and contractors all over North America to deliver rugged dependability and portability. Available with Wi-Fi video streaming technology as an option.
