Milwaukee 3016-21ST

M18 FUEL™ String Trimmer w/ QUIK-LOK™

Item Number: MI-301621ST

Designed to meet the needs of landscape maintenance professionals, our M18 FUEL™ String Trimmer kit w/ QUIK-LOK™ provides you with the power to clear thick brush, reaches full throttle in under 1 second, and features a balanced design that increases user control. The split boom cordless string trimmer is made up of two components – the M18 FUEL™ Power Head w/ QUIK-LOK™ and QUIK-LOK™ String Trimmer Attachment. This M18 FUEL™ Power Head, part of the M18 FUEL™ QUIK-LOK™ Attachment System, is compatible with multiple split shaft attachments such as our Edger, Articulating Hedge Trimmer, and Pole Saw attachment. This allows you to quickly swap out attachments on a single power head, delivering ultimate versatility and a lower cost of ownership. The POWERSTATE™ Brushless Motor delivers up to 6,200 RPM with up to a 16” cutting swath, and gives you the power to maintain speed in demanding applications without bogging down. The motor is positioned in the rear of the trimmer to provide the best combination of power, balance, and maneuverability. REDLINK PLUS™ intelligence maximizes performance while protecting from overload, overheating and over discharge. The advanced electronic package also delivers instant throttle response, high and low speeds, and a variable speed trigger giving you ultimate control over the power range. The M18™ REDLITHIUM™ HIGH OUTPUT XC8.0 Battery gives you best in class performance and run-time in all applications. The Easy Load Trimmer Head provides an easy line loading experience and the ability to load up to 25' of trimmer line in under 30 seconds. Our M18

FUEL™ String Trimmer w/ QUIK-LOK™ is part of the M18™ system which is fully compatible with over 200 tools. In addition to the cordless Power Head w/ QUIK-LOK™ and QUIK-LOK™ String Trimmer Attachment, the kit includes one of our M18™ REDLITHIUM™ HIGH OUTPUT™ XC8.0 Batteries as well as an M18™/M12™ Rapid Charger.

Features

- Part of the M18 FUEL™ QUIK-LOK™ Attachment System
- Features the Milwaukee® Easy Load Trimmer Head
- RPM: 0 - 4900 / 0 - 6200
- Cutting Swath: 14" - 16"
- Line Diameter: 0.080" / 0.095"
- Trigger: Variable Speed
- POWERSTATE™ Brushless Motor: Purposely built for the M18 FUEL™ Power Head w/ QUIK-LOK™ to generate the power and performance of high voltage platforms
- REDLINK PLUS™ Intelligence: Optimizes performance, provides overload protection preventing damage to tool and battery during heavy applications; compatible across the M18™ System
- M18™ REDLITHIUM™ HIGH OUTPUT™ XC8.0 Battery Pack: Provides 50% more power and runs 50% cooler vs. M18™ REDLITHIUM™ XC Battery Packs
