QUIK-LOK™ Edger Attachment

Item Number: MI-49162718

Our M18 FUEL™ QUIK-LOK™ Edger Attachment is powered by the M18 FUEL™ Power Head w/ QUIK-LOK™ and is compatible with our M18 FUEL™ QUIK-LOK™ Attachment System. The unit features an 8" blade and high strength guard for increased durability. The edger includes mud flaps to prevent dirt kickback as well as a skid plate to protect the gearbox from concrete contact. The adjustable wheel allows you to set optimized blade depth and tool angle for maximum control. The QUIK-LOK™ Attachments feature protected drive shafts for increased durability against drops and storage elements. The edger attachment also utilizes optimized gearing to manage the cordless M18 FUEL™ Power Head RPM output specifically for edging applications.
