QUIK-LOK™ Articulating Hedge Trimmer Attachment

Item Number: MI-49162719

Our M18 FUEL™ QUIK-LOK™ Articulating Hedge Trimmer Attachment is powered by the M18 FUEL™ Power Head w/ QUIK-LOK™ and is compatible with our M18 FUEL™ QUIK-LOK™ Attachment System. The attachment's articulating mechanism allows for 270° rotation of the blade set, which gives you 13 operating positions and 1 storage position. The hedge trimmer attachment boasts a 20" blade with 1" cut capacity allowing you to clear more material in a single pass. The hedge trimmer attachment includes a tip guard to prevent damage to the blade and surrounding work area, as well as a padded grip for optimal hand placement and increased comfort. The QUIK-LOK™ Attachments feature protected drive shafts for increased durability against drops and storage elements. The hedge trimmer attachment also features optimized gearing to manage the cordless M18 FUEL™ Power Head RPM output specifically for hedge trimming applications.
