QUIK-LOK™ 10" Pole Saw Attachment

Item Number: MI-49162720

Our M18 FUEL™ QUIK-LOK™ 10" Pole Saw Attachment is powered by the M18 FUEL™ Power Head w/ QUIK-LOK™ and is compatible with our M18 FUEL™ QUIK-LOK™ Attachment System. The unit has a split shaft design and features a 10" OREGON® bar and chain which provides you with smooth and fast cuts with minimal kickback. The pole saw attachment includes an automatic oiler for proper chain lubrication, easy access chain tensioner for quick adjustments to chain tension, and a branch hook for added cutting leverage and branch removal. The QUIK-LOK™ Attachments feature protected drive shafts for increased durability against drops and storage elements. The split boom pole saw attachment also utilizes optimized gearing to manage the cordless M18 FUEL™ Power Head RPM output specifically for cutting applications.
