

Patron AS-550

550 CFM Portable Air Scrubber

Item Number: PA-AS550

The Patron AS-550 portable air scrubber is a powerful solution for improving air quality in various environments. Equipped with a HEPA filter and UV light technology, it effectively captures and neutralizes airborne contaminants such as dust, pollen, mold spores, and bacteria. With its compact and portable design, the AS-550 is perfect for use in construction sites, restoration projects, or any indoor space where clean air is essential. Whether removing allergens or tackling odors, this air scrubber provides efficient and reliable purification to create a healthier breathing environment.

Features

- Integrated UV-C light effectively kills germs, mold, mildew, bacteria and viruses
- Includes pleated pre-filter, carbon filter, and H13 HEPA filter
- Filter change indicator light
- Variable speed control
- 0.3 Microns HEPA filter
- Hour meter
- GFCI auxiliary outlet

- Daisy Chain up to 7 units on a 15A circuit
- Unit is stackable and useable both vertically and horizontally
- Ductable at inlet and outlet
- Durable, Polyethylene Cabinet
- This unit is not certified or suitable for use with hazardous materials such as asbestos

Specifications

Airflow (CFM)	550
Voltage (V)	115 V
Amperage (A)	1.9 A
Sound (Decibels)	65 dB
Operating Temperature	-10°C to 65°C
Cord Length	10 ft
Weight (LBS)	35.6
Dimensions	16" x 24.5" x 25.5"
Filtration Rating	99.95% @ 0.3 Micron
Filtration	Stage 1 - MERV 8 Pleated (PA-A7001) Stage 2 - Activated Carbon (PA-A7002) Stage 3 - HEPA H13 (PA-A7003)
Certification	cETLus
Warranty	1 Year
