General Pump TT2035EBF

Triplex Pump, 3/4" Shaft, 2000 PSI, 3.5 GPM

Item Number: PA-P85139023B

The GP TT2035EBF Pump Assembly is a high-performance triplex direct-drive electric pump designed for reliability, efficiency, and long-term durability. Delivering up to 2,000 PSI at 3.5 GPM, this pump provides a strong combination of pressure and flow, making it ideal for cleaning large surfaces, vehicles, and light commercial equipment. Built by General Pump (GP), a leading manufacturer in the pressure washer industry, the TT2035EBF features a brass manifold, ceramic plungers, and an external unloader for precise control and professional-grade performance. Backed by a 5-year warranty, it’s a pump designed to handle demanding residential and commercial cleaning tasks.
