# Milwaukee 2918-22HD

## M18 FUEL™ 1-3/4" SDS MAX Rotary Hammer Kit w/ (2) 12.0 Battery

**Item Number:** MI-291822HD

Our M18 FUEL™ 1-3/4" SDS MAX Rotary Hammer w/ ONE-KEY™ delivers best-in-class performance, equipping users with productivity and control in demanding applications. This rotary hammer delivers the hardest hitting and fastest drilling, is designed for maximum control, and provides increased productivity without the cords. The POWERSTATE™ Brushless Motor and REDLINK PLUS™ Intelligence deliver 11 ft-lbs of impact energy, resulting in the hardest-hitting and fastest drilling SDS Max Hammer in its class. This rotary hammer provides maximum control and an enhanced feature set, including AUTOSTOP™ Enhanced Kickback Control to prevent over-rotation in a bind-up and AVS Anti-Vibration System to reduce user fatigue. Equipped with VACLINK™, an integrated wireless dust control technology, allows compatible tools and dust extractors or vacuums to connect to each other, providing users the ability to activate the dust extractor or vacuum directly from the tool for increased efficiency on the jobsite. Additionally, this cordless rotary hammer is compatible with ONE-KEY™ to track and manage inventory. The M18 FUEL™ 1-3/4" SDS MAX Rotary Hammer w/ ONE-KEY™ delivers the power needed for heavy chipping applications, while eliminating the hassles that come with cords.

## Features

- Hardest hitting, fastest drilling
- Designed for maximum control
- Increased productivity, no cords
- POWERSTATE™ Brushless Motor generates the power to deliver 347 RPM & 2,625 BPM
- REDLINK PLUS™ Intelligence ensures maximum performance and protects from overload, overheating and over-discharge
- AUTOSTOP™ Enhanced Kickback Control prevents over rotation in a tool bind up
- AVS Anti-Vibration System minimizes vibration for maximum comfort
- VACLINK™ Wireless Dust Control: Ability to activate a compatible Dust Extractor directly from the tool, increasing efficiency on the jobsite
- Multiple Speed Settings for precision and accuracy
- Forward & Reverse capable for ease of use when drilling
- 12-Position Chisel Adjustment allows the user to adjust the bit for operating versatility
- Chisel Lock: Ergonomic design locks tool on for increased comfort and productivity when chipping
- 2 Modes: Hammer-Only and Rotary Hammer
- ONE-KEY™ Compatible: Ability to track and manage tools for increased productivity and investment protection
- 5 Year Limited Tool Warranty, 3 Year Limited Battery Warranty
