Milwaukee MXF301-2CP

MX FUEL™ Handheld Core Drill Kit

Item Number: MI-MXF3012CP

Our MX FUEL™ Handheld Core Drill allows you to core with more confidence than ever before. A patented clutch and AUTOSTOP™ technology deliver a safer handheld coring experience. They provide you with maximum control and prevent over-rotation in case the core drilling machine gets bound up. The POWERSTATE™ Brushless Motor delivers you the power to core up to 6” holes in reinforced concrete. REDLINK PLUS™ Intelligence ensures maximum performance and protection from overload, overheating, and over-discharge. An onboard LED level and performance gauge provide you with maximum efficiency while coring. These features, along with the option to wet or dry core make it easier for you to core anywhere. The MX FUEL™ REDLITHIUM™ battery pack powers through concrete and block almost anywhere, without the hassle of extension cords or tripping breakers. The cordless core drill is compatible with all MILWAUKEE® MX FUEL™ REDLITHIUM™ batteries, giving you the hardest working and most reliable power for equipment. The diamond core drill is ONE-KEY™ Compatible. You can track, manage and secure equipment from your mobile device or computer using the industry’s largest Bluetooth® community tracking network. If your core drill is ever lost or stolen you can prevent tampering with remote lockout capability.

Features

- Run-Time: (18) 3" HOLES IN BLOCK WITH XC BATTERY
- Run-Time: (9) 3" HOLES IN BLOCK WITH CP BATTERY
- Run-Time: (5) 3" HOLES IN 6" CONCRETE WITH CP BATTERY
- A patented clutch and AutoStop™ technology delivers a safer experience by providing maximum control and preventing over-rotation in case the machine gets bound up
- An integrated pressure gauge helps provide the most efficient drilling pressure to maximize productivity and runtime
- The LED level ensures easy, accurate holes hand-held
- Onboard water connection
- A universal quick connect hose ensures simple and effective wet drilling in the toughest applications
- Dry and wet core capability
- One-Key™ technology allows for customization, tracking, tool security, and inventory management
- Includes: (1) MX Fuel™ handheld core drill, (2) MX Fuel™ Redlithium™ CP203 battery packs, (1) MX Fuel™ charger, (1) Carrying case, (1) Quick connect collar, (1) Spindle adapter, (1) Trigger lock-on

Specifications

Bit Capacity	6"
RPM	790/1550
Spindle Size	1-¼"-7 and 5/8"-11 adapter
Weight (LBS)	21.58 LBS
Length	21.58 in
Height	9.29 in
Width	4.8 in
Warranty	2 Years
Battery Warranty	2 Years
