

Milwaukee MXF368-1XC

MX FUEL™ Cordless Breaker Kit, 1/1-8" Hex

Item Number: MI-MXF3681XC

Our MX FUEL™ Breaker delivers a Faster, Safer, Easier Concrete Demolition experience. It is the most productive with the lowest vibration, lightest weight, and breaking over 2 tons per charge. The demolition hammer is the most productive with the lowest vibration on the market, designed for professionals to deliver ultimate power, durability, and productivity. The POWERSTATE™ Brushless Motor delivers 50 ft-lbs of impact energy that meets and exceeds that of corded competition. Our MX FUEL™ REDLITHIUM™ XC406 battery pack delivers unparalleled run time, allowing you to break a 40 ft trench that is 1 ft wide and 6" thick on one charge. The jackhammer is lightest in its class, making it easier for you to maneuver and transport it throughout the jobsite. REDLINK PLUS™ Intelligence ensures maximum performance and protection from overload, overheating, and over-discharge. The breaker machine is compatible with all MILWAUKEE® MX FUEL™ REDLITHIUM™ batteries, giving you the hardest working and most reliable power for equipment. The cement breaker is ONE-KEY™ Compatible. You can track, manage and secure equipment from your mobile device or computer using the industry's largest Bluetooth® community tracking network. If your breaker is ever lost or stolen you can prevent tampering with remote lockout capability.
