
Milwaukee 1660-6

Compact Drill, 1/2", Corded

Item Number: MI-16606

This compact specialty drill packs big power. The 1/2" Compact Drill has the power and versatility to handle high-torque drilling and material mixing applications. Built for two-handed operation, the drill features extra long handles for added leverage and control. You'll get quiet performance from the heat-treated, helical-cut gears.

Features

- Powerful 7.0-amp motor: Delivers up to 450 RPM with reverse
- Torque: Offers 1/2" capacity in steel
- Heat-treated gears: Helical-cut for quiet performance
- 8-ft. 2-wire fixed rubber cord: Durable construction for longer tool life
