

# Milwaukee 6177-20

## 14" Abrasive Chop Saw, Corded

Item Number: MI-617720

Get industry-leading performance, durability and ease of use in a versatile cut-off machine that handles a wide variety of materials. With a powerful 15-amp, 4.0 maximum horsepower motor and speeds up to 3900 RPM, this abrasive cut-off machine allows for fast cutting of drywall track in bundles, angle iron, conduit, pipe, channels, tubing and rebar up to a 5" maximum capacity. With an adjustable fence, it can make 45° miter cuts quickly and accurately without flipping heavy material. Lightweight yet highly durable, this 14" cut-off machine travels easily to any jobsite. A large spindle lock button lets you make quick and easy blade changes, even when wearing gloves. A quick-adjust vise clamp lets you make fast adjustments when cutting materials of different sizes.
