Engineered Performance GW1425

14" x 25' Duct, Patron 40/60kW Heaters

Item Number: EP-GW1425

Features

- Temperature Rating: -40 to 180°F (-40 to 83°C)
- Fabric Weight: 13oz/yd² (441g/m²)
- Soft Cuff/Strap Inlet
- Ring Outlet
- 7" Pitch
- Thermo-bond (heat-sealed) construction includes a high tensile wire helix and light-duty fabric wearstrip for abrasion resistance
- Phthalate Free PVC ensures the highest standards for air quality and safety
- Bi-directional airflow for positive pressure and return air applications
